PRACTICAL HINTS

Officially summer season starts on June 22,
but in fact – sailing season starts in the
middle of April and lasts until the end
of October

Average temperature in summer is about
15-20 °C. In the mid-season *t may rise
up 23-25 °C

Main winds come from the South East and
the West. Most windy months are October,
November, January and February

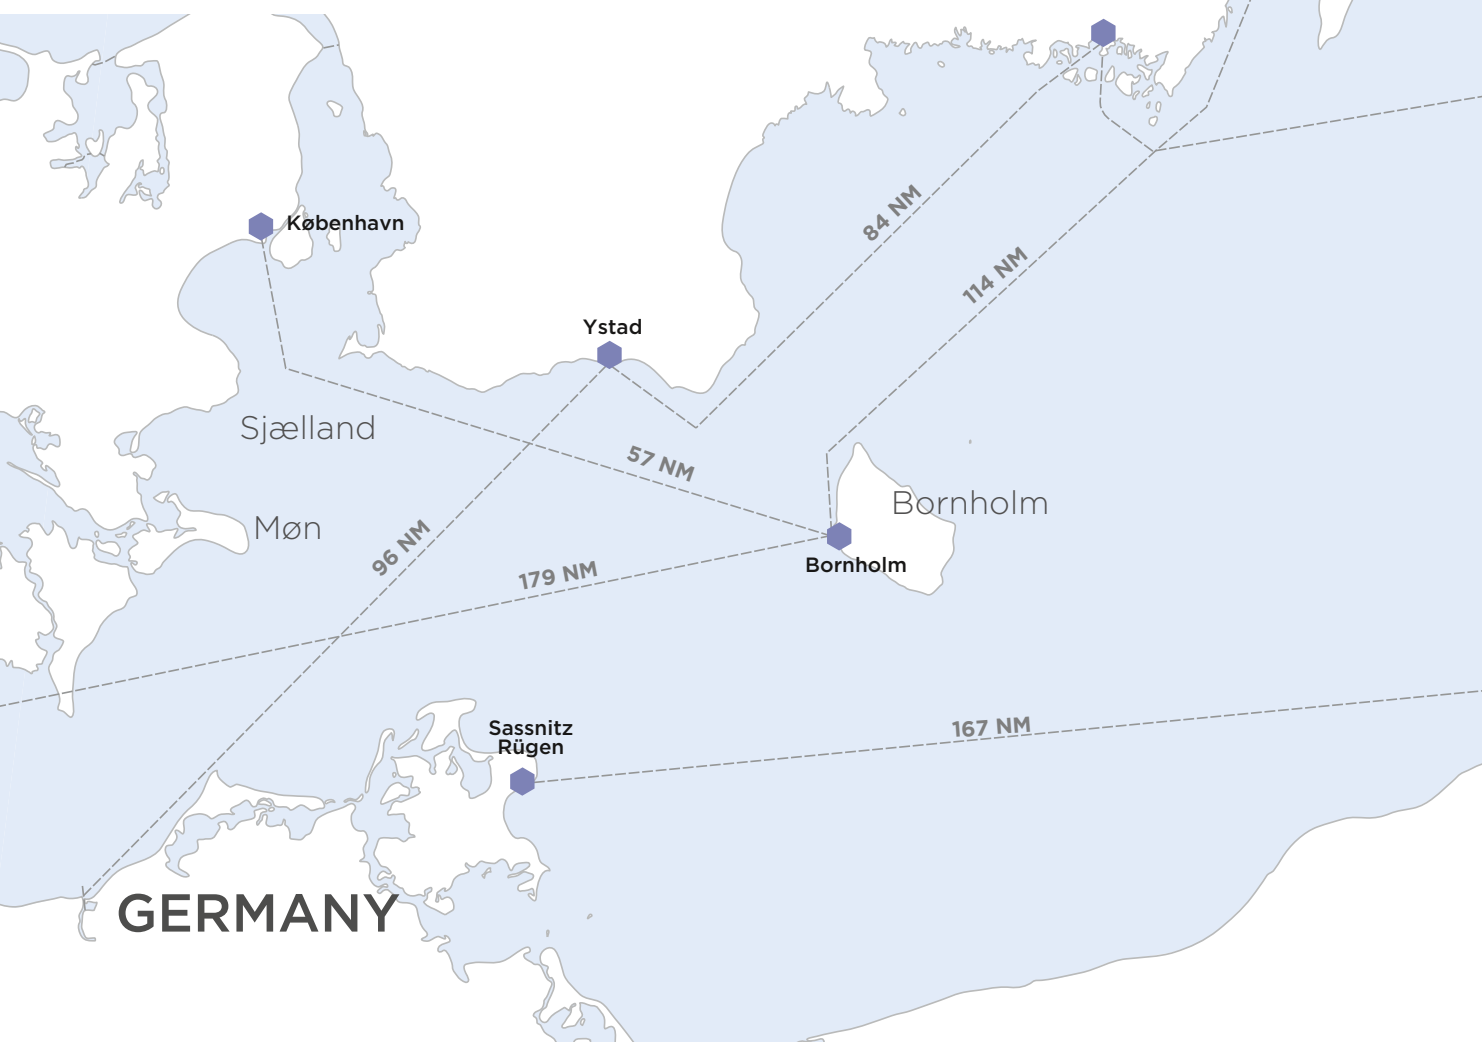

Water is cool even in July, especially some
distance away from the shore

English is the most spoken European
language, as well as German is widely
spread. Many locals speak Russian

Local currency is EURO

Wi-Fi is available in public places – cafes,
restaurants, hotels, petrol stations as well
in the parks and on the streets

Welcome to the East Baltic Coast!
